COLORED "Y" TEAM WINS.

Defeats St. Cyprian Church Nine by
11 to 3.

The 12th street Y. M. C. A. team
played rings around the St. Cyprian
Church team yesterday, defeating it by
11 to 3. Sudler pitched for the Asso-
ciation boys and had an easy game
with the exception of the first inning,
when the church team scored its three
runs.

The Y. M. C. A. team will start on
its southern trip August 4, playing ten
days throughout Virginia, and upon
its return it will meet several fast
out-of-town teams at the local park.

CLOSE RACE IS DEVELOPING AMONG THE POTOMAC CLUBS Recent Defeats of Machinists Have Cut Down Big Lead Previously Held by Them—Agriculture Makes Big Score.

BY H. C. BYRD.

Recent setbacks for the Machinists in the Potomac League have developed a close race for this organization. The Machinists were ahead two weeks ago, but unexpected defeats have caused the clubs to bunch well together. Right now the Machinists are not in a position to claim the race "cinched" by any means, and it appears they will have to work mightily hard to maintain the small margin they have.

The Machinists are leading with thirteen games won and five lost, Congress Heights is second with ten victories and six defeats, and St. Teresa is third with thirteen wins and eight losses.

Thompson's pitching should have won for the Machinists, as he did not allow a hit until the eighth inning. After that the Drillery club got only three. The one run produced in the eighth, though, was sufficient to give Drillery the long end of a 1-to-0 score.

Commerce won from Navy in the Government League because of some daring base running by Creditor, who held down the shortstop position. Creditor was walked and he then proceeded to steal second. When Croson, the Navy pitcher, tried to catch him napping at second and failed, the Navy third baseman walked in to argue with the umpire. Taking care, the Navy third baseman was walked, and the Navy third baseman was walked, and the Navy third baseman was walked.

Bishop of Commerce also was effective.

St. Joseph lost to St. Peter's, in the Catholic Church League, by 7 to 1 in a five-inning contest.

St. Stephen's and St. Peter's played a tie game in the Holy Name League, both teams scoring five runs in five innings. The contest was called at the end of the fifth. Sullivan, who played third base for St. Peter's, was the star of the contest, with four hits out of four times at bat. His work was exceptional in every particular.

Whitney Avenue was given a setback in the Northwest Sunday School League when it lost a score of 5 to 3 to the Central Presbyterian aggregation. Sam Gottlieb, the Central High School hurler, was responsible for the victory, as he let down the Whitney crowd with only two hits. Gottlieb caused thirteen runs to score in five innings.

Agriculture took an awful revenge on War for the defeat it suffered at the hands of that club some time ago, the Farmers winning by a score of 12 to 0. Agriculture's score looks almost like a cricket match. Here it is:

Owens struck out eleven men and allowed only one hit. In contrast to this the Agriculture players hit the deliverer of the War hurler almost at will. Derrick, Lemerle, Bailey and Shugrue were the star stick wielders.

Reformation trimmed Advent by 7 to 5 in the East Washington Sunday School League. The team of Advent appeared in a new role—that of pitcher—and he did not do so badly at that. It was the Navy pitcher who was the way, with Reformation having a little the best of matters.

Traffic met a picked team in the Southern Railway League and was beaten by 9 to 5. Barrett, who pitched for the combination club, allowed only one hit, and it was hardly to be expected that Traffic could win with no more batting.

EVANS NOT TO DEFEND WESTERN GOLF HONORS

His First Failure to Compete in
Western Tourney Since
1907.

CHICAGO, July 16.—Charles Evans, western amateur golf champion, confirmed today reports that he probably would not defend his title at the tournament which begins Monday at Cleveland. For business reasons, he said, he probably would have to remain in Chicago. It will be the first western tournament he has missed taking part in since 1907.

Absence of Evans would make the event much more open, golfers said today, and Chicago's chance of retaining the honor considerably less, though the contingent from this city will include former Champions Mason Phelps and D. E. Sawyer and others.

BASE BALL BRIEFS.

Although Joe Jackson suffered no broken bones when he was knocked from the running board of his automobile by a lumber wagon, he will not be able to do his regular job for two weeks. Dr. M. H. Castle says Joe's bruises and cuts are of such a nature that he will scarcely be himself for two weeks.

Neal Ball of triple-play fame, recently clobbered by Richmond, is playing shortstop for Toronto, International League.

It's hard to tell what Manager Riskey signed Sisler for. The former Michigan pitcher has pitched first base and left field. His success in the last position has resulted in Riskey's releasing Ernie Walker to Rochester.

The Boston Americans have released McCabe, a pitcher, and Holmes, a catcher, to Lynn of the New England League.

Ty Cobb has passed the century mark in his base hits for the present season.

The president of the National League said he had penalized players when he thought it was due. He said he had fined several players on the Pittsburgh and Boston clubs, and mentioned Clarke, Viox, Gowdy, Rudolph and Whaling.

Buck Weaver, one of the youngest pitchers in the National League, was hit by a no-hit, no-run game for New Orleans, against Nashville, July 7, the first of its kind in the circuit this year. The Pelicans won the contest, 1 to 0.

They say the Chinese base ball team now touring the country is off to a bad start. It is a little trouble, even though there is a Chin and a Yap upon the nine.

If Bill James of the Braves can get his arm back he will save the world champions from going into the second division for good.

Manager Fred Clarke of the Pittsburgh Pirates has been fined \$50 by President of the National League for his recent verbal tilt with Umpire Klem in Chicago.

The Boston Braves, now at home, won but three of fifteen games played during their road trip.

Gus Schraeder, first baseman of the Shreveport, Texas League team, equaled the minor league record of twenty-two put-outs in nine innings in Wednesday's game between the Shreveport and Fort Worth clubs. Shreveport won, 1 to 0.

Manager Robinson of Brooklyn found that Phil Douglas had been cured of "disappearing" by a change of position. The former Red pitcher is off the reservation again and suspended for breaking loose.

Bill Doak of the Cardinals, the most effective pitcher in the National League last year, did not manage to get over a shut-out until the last day of June, when he beat the Pirates, 3 to 0. Doak had already won six games as he lost all last year.

It must be comforting to the veteran Jack Meyers to know that Manager McGraw is trying to get him off the payroll. McGraw, according to the story, offered the Indian and Brainerd for \$10,000, but McGraw refused to make the deal. Meyers might at least play first base for the Reds to their advantage.

The retirement of Maj. Joseph T. Davidson, Quartermaster Corps, from active service is announced.

Capt. William H. Wilson, Coast Artillery Corps, inspector-instructor, organized militia of Massachusetts, will visit Detroit and Fort Wayne, Ind., before he returns to his post at Fort Monmouth, N. J., for the purpose of instructing the coast artillery militia.

Second Lieut. Rollo C. Ditto, 20th Infantry, will proceed to the hospital at Fort Snelling, Minn., for observation and treatment.

First Lieut. Richard R. Pickering, 16th Infantry, and David P. Johnson, 16th Infantry, will proceed to San Diego, Cal., for duty.

First Lieut. Robert F. Tate, 15th Cavalry, will proceed to Fort Sheridan, Ill., for duty in connection with the tryout for the cavalry team.

First Lieut. James A. Robertson, Medical Reserve Corps, is ordered to duty at Fort Thomas, Ky.

Second Lieut. Bert H. Dickinson, 15th Infantry, is attached to the aviation section of the Signal Corps as an aviation student, and will proceed to San Diego, Cal., for duty.

Second Lieut. Jacob L. Devers, 4th Field Artillery, and Harold E. Miner, Field Artillery, will proceed to Ft. Belvoir, Mont.
